

Web Mapping

Justin Joque

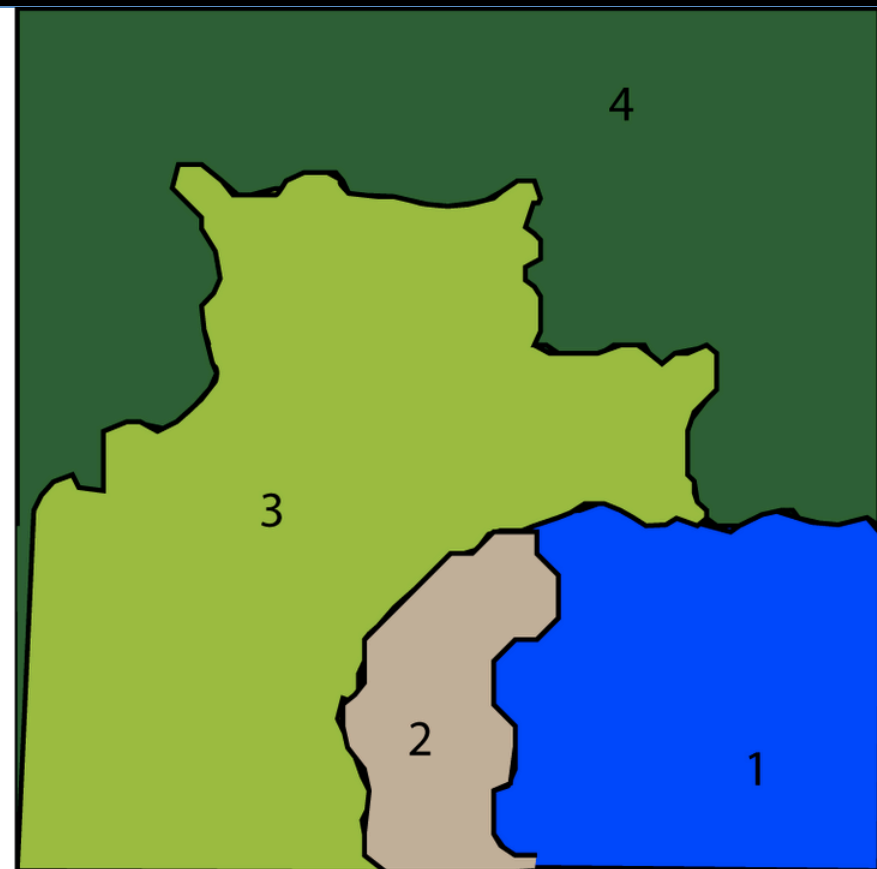

Winter 2015

Making a Web Map

- Modified Tutorial from NYPL Labs
<http://www.nypl.org/blog/2015/01/05/web-maps-primer>
- Georeference a historic map
- Trace some parks
- Find some historic buildings
- Bring in the data for the historic buildings
- Put it all together into an interactive web map

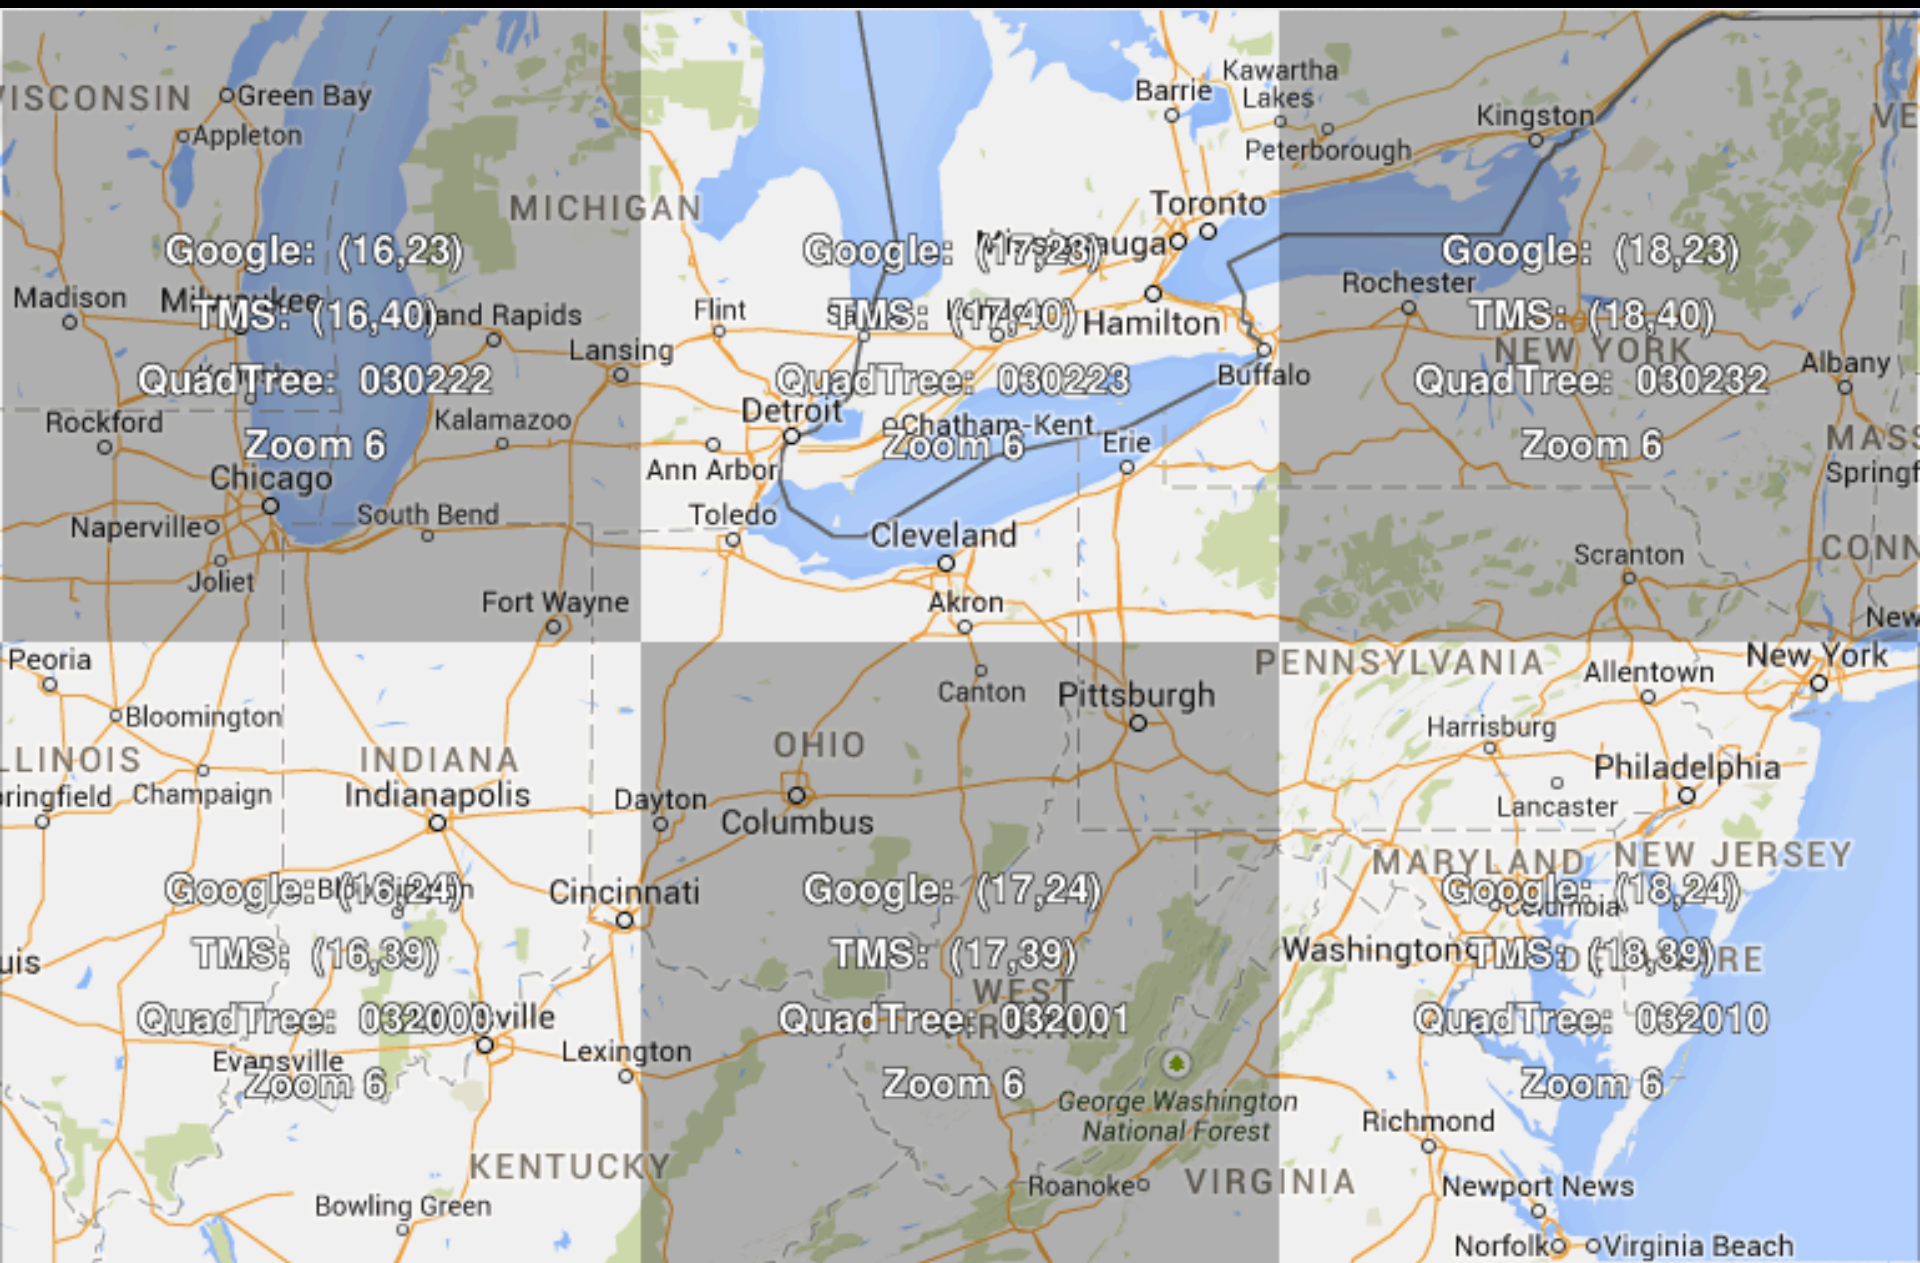

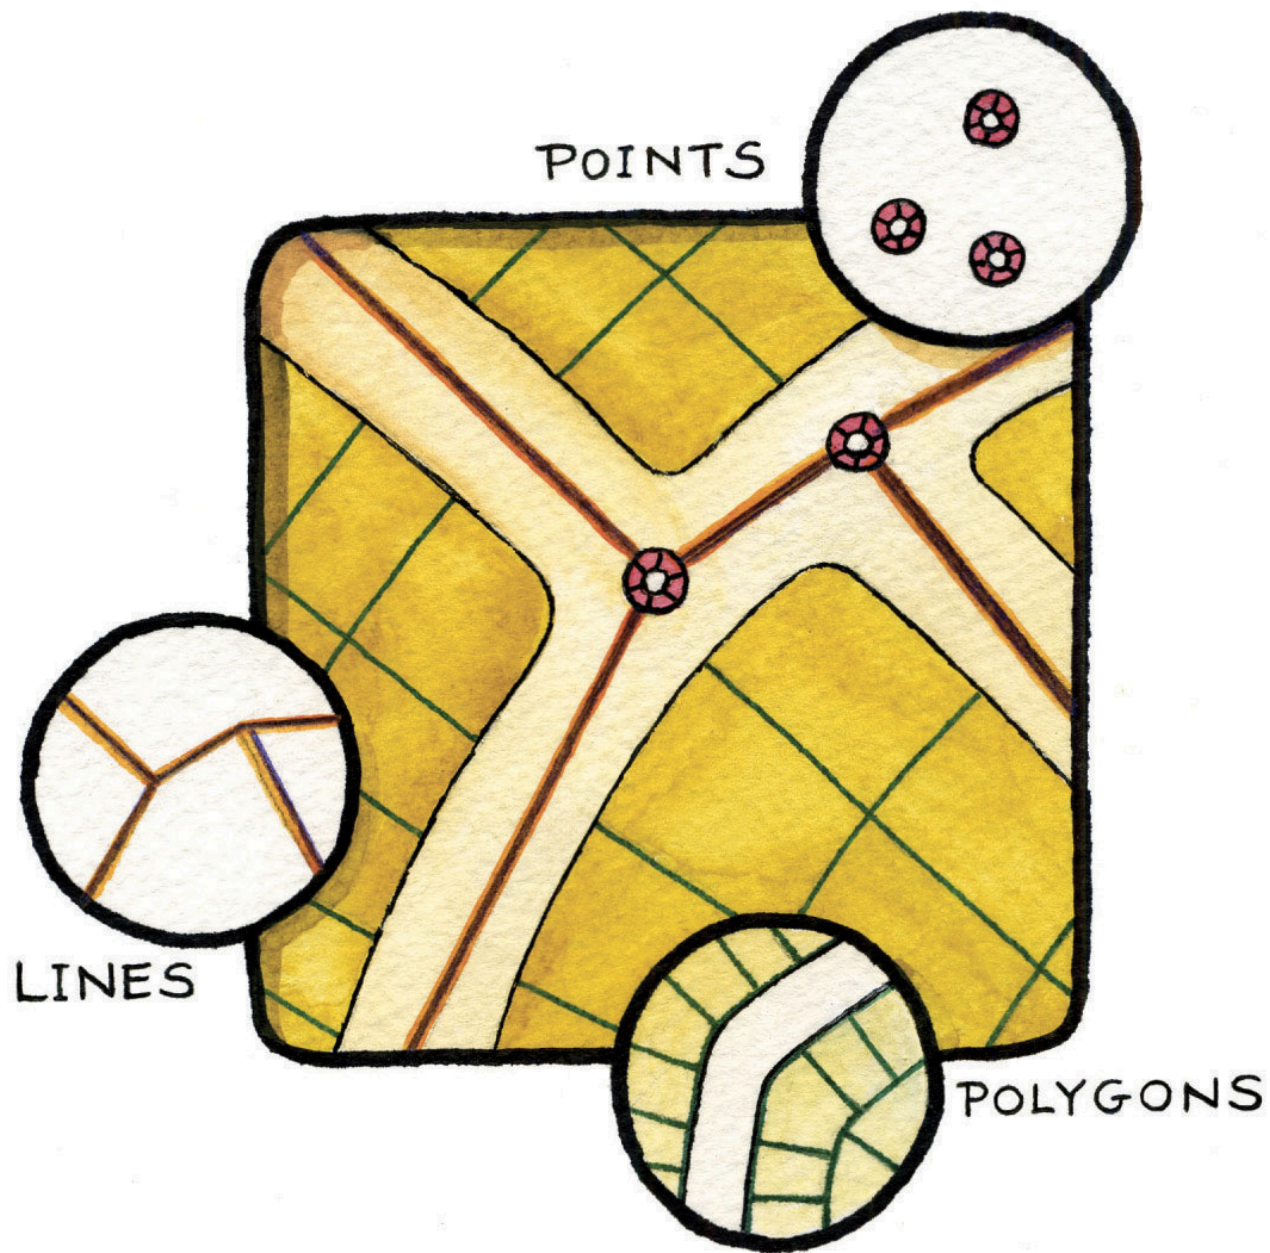

Values	Name	Count
1	Forest	10
2	Grass	9
3	Beach	2
4	Water	4

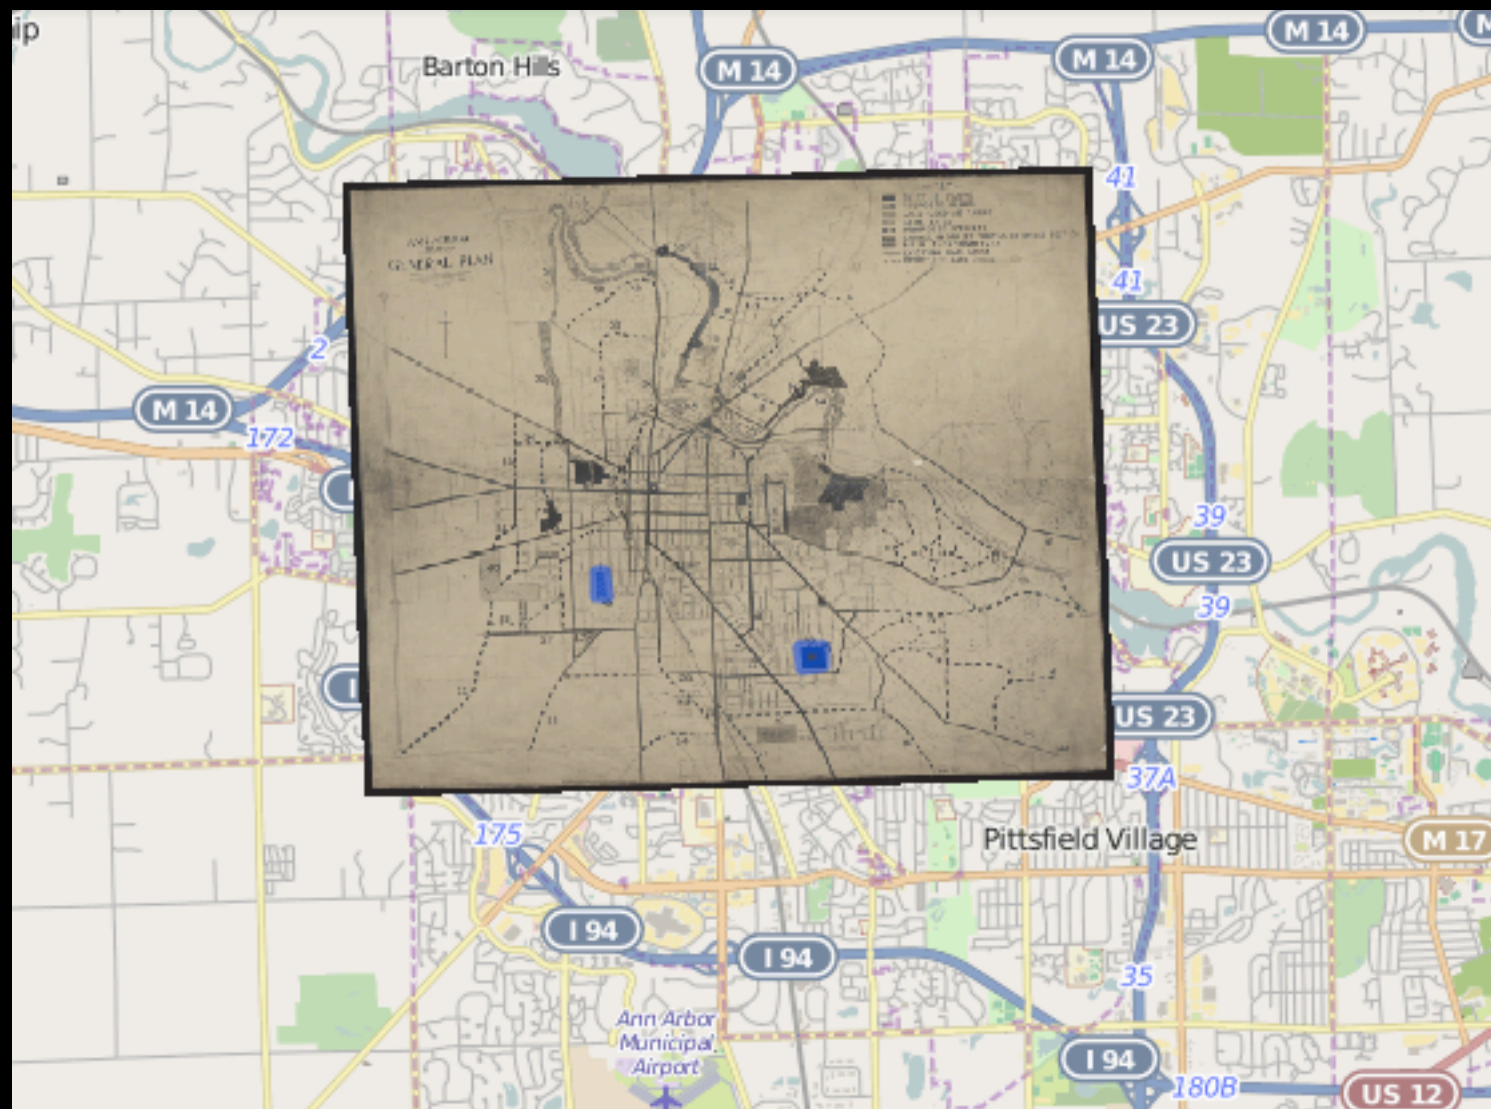

FID#	Name	value	Public?	Owner
1	Water	4	Yes	State
2	Beach	3	Yes	State
3	Grass	2	Yes	State
4	Forest	1	No	Warner
